Mommy and Me Montessori:

Designed for children ages 18 to 36 months with a parent or caregiver, each Mommy & Me session meets for a 45 minutes informal Montessori. During that time, your child will be free to explore age-appropriate Montessori materials, making his or her own choices from the classroom shelves and work at his or her own pace in a carefully prepared environment and in a peaceful setting with the guidance of a Montessori teacher and you. These materials encourage the development of a toddler's independence, concentration, confidence, fine motor skills, respect for others, and a love of learning.
