Kid Ventures is Taking Your Family's Enrichment Experience to the Next Level...

Kid Ventures has always been dedicated to providing a safe and stimulating environment, where your child can learn through play and discovery in our award winning facilities. This vision goes even further as we introduce more enrichment and learning opportunities to enhance your family's Kid Ventures experience. Our new Monthly Enrichment Calendar will provide a robust menu of opportunities for your child to engage in inquiry based learning experiences that will foster critical thinking, perseverance, and creativity.

Kid Ventures Incorporate s STEAM Learning & Literature and Art

STEAM & Literature Classes are included in our EXPLORE & DISCOVER Memberships. For more information on class themes and registration details, please check at our reception desk. See calendar for class dates and times. All classes must be reserved in advance either in person or online.

STEAM & Literature Classes

STEAM is an educational approach to learning that uses Science, Technology, Engineering, the Arts and Mathematics as access points for guiding student inquiry, dialogue, and critical thinking. The end results are students who take thoughtful risks, engage in experiential learning, persist in problem-solving, embrace collaboration, and work through the creative process.

Tiny Tots Literature Class

Ages 18 months - 2.5yrs

Children and their caregivers participate together in this new preschool prep class. These soon- to-be-preschoolers will enjoy interactive stories, creative art experiences, music and movement activities and playful exploration.

Fun With Literature & Art Class

Ages 2.5yrs - 5yrs

Enjoy interactive stories, creative art experiences, music and movement activities and playful exploration. Each month we'll read some of the most-beloved children's books and make fun arts and craft activities based on each book!

Our goal is to provide high quality early childhood experiences in a safe, supporting, stimulating environment. Through our developmentally appropriate practices and curriculum, we help children evolve into lifelong learners."
