## February Monthly Theme: "All you need is love and a toothbrush"

February is great month for learning about new things and new cultures. This month, we will be learning about Dental Health, Emotional Development, Black History and Love and Feelings. Key takeaways include: learning how to have proper dental hygiene, valentines and friendship. We will be concentrating on emotional development, which is an important foundational component for building friendships. We will also be teaching a little bit about black history and US presidents.

**Tuesday, February 4th :** Join us at Kid Ventures while our friends from the Super Dentists help educate our children on dental health through a series of games, a brushing lesson, and other fun activities to start a buzz on great brushing skills!

**Military Dad Volunteer Day Friday February 7th:** Calling all Military Dads, please see your sign-in stations for a slot to volunteer for story time with the kiddos! Time slots range from 9:00am-11:00am.

**Family Valentine's Party Feb 13th - 3:30pm-4:30pm:** Please join us for an afternoon full of love, laughs, and lots of food! We will be having a pot-luck style lunch, take some time to exchange Valentines, and make interactive parent and child crafts. This will be a delightful day of celebrating friendship, appreciation, and all the things we LOVE! There will be a sheet located next to your sign-in stations for ideas of what to bring / sign up for. Half day students are welcome to come back and join!
